# Safety Information

**Shock hazard! Do not remove the rear grill.** This grill is only to be removed by Storm Kiosks technicians or authorized partners. Removing the grill may result in injury or death.

**Do not attempt to move the kiosk.** The unit is extremely heavy and can easily topple over and cause injury when not correctly moved; only Storm Kiosks technicians or authorized partners can move the kiosk.

**Do not unplug or power down the kiosk without prior approval.** The kiosk is designed to be operated 24/7. Do not unplug or power down the unit without prior approval from Storm Kiosks. Doing so may reduce the reliability of the kiosk.

**Do not use sharp instruments on the touch screen.** The interactive touch screen is designed for use only by touch. Do not use any sharp instruments such as pens or tablet pens.

**Do not expose the kiosk to water.** The kiosk is not water proof or resistant, exposing any part of the unit to water may result in malfunction, electric shock, injury or corrosion damage.

**Do not block rear door ventilation.** Ensure the rear door vents have adequate ventilation and air circulation.
